PREVIEWS THEME: MANGA MONTH 2024!

PREVIEWS celebrates "Manga Month" once again in this issue! In our *Manga* section (as well as via select publishers throughout our *Print* section), you'll find the best in new and backlist Manga titles from around the world, including Japan, Korea, China, and even the US. On **Page 210**, we've got a cross-section of great new and backlist Manga titles from which to choose, any a great introduction to this familiar-yet-unique comics genre! Be sure to look for our *Manga Month* icon throughout this issue for more great offerings!

DO... OR DO NOT. THERE IS NO TRY.

Yoda was trying to give Luke Skywalker a Jedi pep-talk when he uttered that famous line in 1980's *The Empire Strikes Back*. And he learned something from it. Applied to real life, it's good advice, but sometimes the line between "do" and "try" gets blurry. I got my initial order numbers back for *The GunHAND* the other day, and they were (as I suspected they would be but hoped otherwise) disappointing. It's tough to get noticed in the field with so many titles new and old trying to find their audience. I guess, when all is said and done, we "tried" by "doing". And we'll have a comic book we can be proud of.

I'm hoping that *The GunHAND* finds its audience once people see our first issue and Matthew Plog's fantastic artwork. I think he's one of the most talented artists I've encountered, and I'm lucky to have him on the book. But now I have some brainstorming to do with my publisher at American Mythology, and hopefully we can find a way to finish the story, maybe not in as many issues as I first plotted, but in a way that gets some of the better story beats and set pieces that I envisioned plotting out Phase 1 of the series into a smaller run of issues. Who knows? It could all turn around after issue #2. All it would take is for us to find our audience...

There is, of course, one facet of comics that has no trouble finding its audience — that being the best-selling MANGA category. And

yes, once again we're dedicating the issue's theme to **MANGA MONTH**. We've been celebrating **MANGA MONTH** in **PREVIEWS** for years now, and one thing is for certain, Manga just keeps going and going with no end in sight! No matter what genre you're interested in, from Comedy and Romance to Sci-Fi and Horror, there's a Manga title for you! I'm a big fan of *Chainsaw Man*, *Kaiju no. 8*, and *Mobile Suit Gundam: Thunderbolt*... but I'm always checking out the dozens of new titles each month for something new. And you can too, starting on **page 210** of this issue with our **MANGA MONTH** spread of recommended titles! Then, you can check out the rest of this issue, including our **MERCHANDISE** section for the latest Manga- and Anime-inspired toys and collectibles, direct from Japan.

FREE COMIC BOOK DAY is a mere month away, on May 4th, the first Saturday in May! If you haven't done so, be sure to check out our **FCBD24** section to review all of the free comics (and Exclusive merchandise!) available on the day. And, oh yeah... *May the Fourth Be with You!*

eMoviePoster February Auctions Realize \$484K

Throughout February 2024, eMoviePoster hosted three auctions that offered regular US movie posters, international posters, lobby cards, non-movie material, limited edition art prints, signed items, and more. Collectively, the auctions totaled \$484,708 in sales.

The top highlights were a *Star Wars* Mondo art print by Olly Moss that sold for \$3,726, a *2001: A Space Odyssey* art print by Kilian Eng that realized \$3,500, and a *Monster of Piedras Blancas* insert that brought \$2,365. Highlights also included a *Goldfinger* limited edition art print signed by artist Todd Slater for \$2,101, *How the West Was Won* three-sheet for \$1,850, *Star Wars* Awards British quad for \$1,340, and *Yellow Submarine* three-sheet for \$1,024.

The Brief Tale of the Red Rube

For just one year, Red Rube graced the pages of *Zip Comics*. His introduction was familiar – orphaned and unsure of his identity, like many other superheroes. He knew that his name was Reuben Reuben and that both his parents were deceased, but what he didn't know until fleeing the orphanage and hiding out in a nearby castle was that he descended from a long line of superheroes. He was given a magic elixir that allowed him a few moments of conversation with his deceased relatives, and each imparted their distinct superpowers to him.

Unfortunately, Red Rube wasn't unique enough to sustain an ongoing storyline. Many found his several similarities to Captain Marvel off-putting. Both were cub reporters (Reuben in print, Batson in radio), and both used a magic phrase to transform and gain powers (Reuben had "Hey Rube!" while Marvel had "Shazam!"). In the end, Rube was in *Zip Comics* #39-47 between 1943 and 1944, then he was never heard from again.

Please tell us a bit about yourself!

I'm a writer from Singapore who's worked in a couple of different mediums. Together with Ben (Chee), I co-created the prose/comics hybrid, *Work-Life Balance* (See Page 280), which was named "Book of the Year" at the Singapore Book Awards 2023. I've also written comics, podcasts and even a game. I live with my amazing wife and unquestionably the cutest cat in the world.

What are your favorite projects you've contributed to over the past decade?

Is it a total cop-out to say that they're all my babies and I love them equally? Yes? Okay, fine. *Work-Life Balance* is the big one, of course. It feels like the culmination of years of work as a writer — from getting better and better at prose to learning how to collaborate with artists, and really appreciating the storytelling strengths in both mediums. There's also *Worlds Apart*, a comic that I worked on with Nurjannah Suhaimi. *Worlds Apart* was created as a tool that could help people initiate difficult conversations about mental health with their friends and family. Since it was published, at least a couple of people have told me that it's actually worked.

What are you currently working on?

I'm writing my first novel, a dystopian sci-fi set in a world that's almost completely submerged after a devastating global catastrophe. So, you know... *light-hearted stuff*. Ben and I are also working with a Singapore-based studio on an animated series based on *Work-Life Balance*. And I'm always writing new episodes of *Ghost Maps*, the narrative horror podcast that I co-created with Kyle Ong.

What fun titles are you reading?

I've just cracked open the omnibus edition of Ed Piskor's *Hip Hop Family Tree* (HC / AUG231936). I've only read bits of it here and there over the years, so I'm really excited that I can finally dive into the whole thing. Becky Cloonan and Tula Lotay's *Somna* (See Page 304!) is such a darkly beautiful marriage of two brilliant creators. I've been mesmerized by it from the moment I read their short story in *The Devil's Cut* (Cover A / JUN231789) and, whenever each new issue was released, I dropped everything else to devour it!

BENJAMIN CHEE

- **Work-Life Balance** (See Page 280!)
- **SOUND: A Comics Anthology GN** (NOV237632)
- **Liquid City Volume 3 TP** (Out of Print)

Please tell us a bit about yourself!

I'm a food-loving artist who's worked in storyboards, animation, and games. Along the way, I picked up an interest in creating animated pixel art loops and comics. Making comic 'zines was how I met Wayne Rée. I'm also terrified of horror stories, so I still wonder to myself how I drew all of the ghosts and spirits in *Work-Life Balance* (See Page 280)!

What are your favorite projects you've contributed to over the past decade?

Work-Life Balance is certainly one of my longest projects in comics. It took a lot of care and stamina to keep going. That wouldn't quite be possible without the passion and love we have for it. The way *Work-Life Balance* turned out — being a dialogue between two mediums, interweaving the prose and comic stories, getting to be experimental, and delivering that visual literary experience — made it all worthwhile!

What are you currently working on?

Yeah, we're thrilled to be working on developing the animated series! While that's going on, I'm back to working on #PROJEKMANDALA, my series of *wimmelbilder* illustrations depicting a fantastical Southeast Asia. It was set aside while I busied myself on *Work-Life Balance*. I'm looking forward to creating a couple of short stories along the way to recharge and pace myself after a long book, too. I'm also working with *Pathfinder 2E* writer, Tan Shao Han, on his new game, *DA XIA*, that's set during the Japanese Occupation of Singapore.

What fun titles are you reading?

During the recent festive season, I finished *Lunar New Year Love Story* (NOV231478). Its depiction of lion dances, drawings of zodiac animals, and the story really resonated with me. I've also recently gotten my hands on the latest *Delilah Dirk* (Vol. 1: *The Pillars of Hercules* / JUN181773) book, even though it's been out some time, and I'm looking forward to continuing on that adventure! *March Comes In Like A Lion* (Vol. 1 / NOV222074) has a special place in my heart, so I'm glad that it's now available for English readers!

USER'S GUIDE

There's a *lot* of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your

comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

TIME TRAVEL AND THE ROARING 20S ARE A POTENT MIX IN IMAGE'S *RIFTERS*

But they are strangely effective at their job, bringing attitude and street smarts to transtemporal crimes and busting chronal perps. From *Deadpool's* Brian Posehn, co-writer Joe Trohman, and artist Chris Johnson, follow this duo on their most challenging case, one that takes them to Prohibition-era Chicago, in Image Comics' *RifTERS*!

This June, Titan Comics returns to the TARDIS for more adventures in time and space in **DOCTOR WHO: THE FIFTEENTH DOCTOR**. Following their debut issue for FREE COMIC BOOK DAY, the series is helmed by writer **DAN WATTERS** (Loki, Homesick Pilots, Sandman), and artist **KELSEY RAMSAY** (*Dark Spaces*, *Joan Jett and the Black Hearts*), and features the Fifteenth Doctor and his companion, Ruby Sunday.

We spoke to Watters about all things **DOCTOR WHO** and the upcoming series.

DAN WATTERS *DOCTOR WHO: THE FIFTEENTH DOCTOR*

Hello Dan! How did you feel when you got the news that you'd be writing the Fifteenth Doctor and Ruby Sunday for the new Doctor Who comics series?

Pleased. *Doctor Who* is an institution, and it feels like quite a feather in my cap as a British genre writer to take the reins in this corner of its story. The conception of the series was a stroke of genius. There's a person in a box that can go anywhere and anywhen. They're interested in things and want to help. You can tell any story with that, on any scale. It's why we've been able to do it for 60 odd years so far.

What Doctor Who stories inspired you when writing for this series?

The Beast Below was on my mind when I was figuring out a location. It's set on the Starship UK after humanity is forced to abandon Earth when the planet's bombarded with

deadly solar flares. It set me to wondering whether anyone would have stayed behind. Someone always does.

What's it like working with series artist Kesley Ramsay?

I was over the moon when I heard Kelsey was on board. She's really rising to the challenge of everything I've thrown at her, including about ten different locales across time and space in twelve pages. And her characters are so full of life. The Doctor really feels like the Doctor under her pen.

Doctor Who: The Fifteenth Doctor features the chilling Cybermen, who have been terrifying viewers for over 60 years. What Doctor Who monster or villain are you most scared of?

I think the Carrionites are fantastic. Space witches from before the dawn of time who can kill you with language. Lots of people have been

killed with language, but usually it needs to be used to influence someone to do something terrible or stupid. The Carrionites cut out the middleman. I'd love to meet one.

If you could go anywhere in time and space with The Doctor, where would it be?

You know what, with all time and space available, I'd opt for interwar Paris. Fifteen would cut such a rug at the Moulin Rouge it could even get a smile out of Sartre. I'd love to walk through the middle of that era of frothing art and thought and cultural revolution. Either that or the end of time. Let's see what happens when the sun burns out.

Describe the Fifteenth Doctor in three words.

Outrageous.
Young.
Ancient.

Modern life has never been easy for Rocko, Filburt, and Heffer. But it gets even harder when Rocko's dog Spunky becomes an overnight internet sensation. Desperate times call for desperate measures and Rocko will do whatever it takes to win back his best bud's affection, even if it means breaking the law or facing childhood bullies at his high school reunion.

In *Rocko's Modern Afterlife*, in O-town's dystopian future, everyone's cell phone is glued to their hands, Heffer makes a living streaming video games online, and the latest app lets you avoid all contact with everyone else without even looking up from your gadget!

But even in the midst of this techno-utopia, there's something not quite right with Rocko's fellow citizens. While Rocko takes two weeks to chill and unplug from technology, the rest of the town seems to be going mad. When danger comes knocking at his door, the newly zen wallaby will have to choose whether to stay barricaded within his home or venture forth into a wasteland of mindless citizens. Don't miss out on the collected adventures of Rocko, Spunky, Heffer, and Filburt as writer **Ryan Ferrier** (*Mighty Morphin Power Rangers*, *Teenage Mutant Ninja Turtles*), artist **Ian McGinty** (*Adventure Time*, *Welcome to Showside*), **Anthony Burch** (*Borderlands 2*) and artist **Mattia Di Meo** (*Regular Show*) bring the *Rocko's Modern Life* family back to life! The Daughters of Drakulon return with a vengeance in June with an all-new tale of the Vampiverse!

Vampirella's daughter Lilith, now working for the Reality Corp., has received her first assignment: investigate an anomaly in one of the many threads of the Fabric where the Vampirella of that world has gone eerily silent. Upon reaching this troubled reality, Lilith discovers a world overrun by the spawn of Chaos, and a Vampirella beaten and broken by the forces she has sworn to combat. Now, it's up to Lilith to save this world from a monstrous evil and to restore Vampirella to the warrior of Order she once had been!

The acclaimed writing team of TOM SNEGOSKI and JEANNINE ACHESON (*Vampiverse*, *Pantha*) reunite with artist DANIEL MAINE (*Vampiverse*, *Chastity*) for this exciting addition to the Expanded Vampirella Universe — featuring eye-catching covers from fan-favorites JENNY FRISON, LUCIO PARRILLO, JAY ANACLETO, JOSEPH MICHAEL LINSNER, and cosplay by JOANIE BROSAS!

SNIEGOSKI & ACHESON RETURN TO VAMPIRELLA! THE DARK REFLECTION OF THE FRANCHISE...

Tom and Jeannine, welcome back to the Vampirella mythos! We're sure some longtime fans may have been missing you guys during your brief absence, as well as some of the newer readers who loved your recent works like *Vampiverse*, *Pantha*, and *The Vamp*. How's it feel to be back in the saddle?

Tom: It's been a little while, yeah, but Vampirella is never far from our mind!

Jeannine: It's great to be back! Sometimes it feels like we never left; it's amazing how easily we just slide right back into Vampirella's world.

As we just noted, some of your more recent projects have featured a lot of Vampirella characters that are not exactly the one and only Vampirella that readers follow most often. As you turn the spotlight to other corners of the multiverse and to different iterations of Vampi, who will we be following in this story?

Jeannine: In this miniseries, we're focusing primarily on Lilith, the daughter of a Vampirella from one of the many threads that exist in the Vampiverse.

Tom: So, not only do we have a daughter of Vampirella, we have a Vampirella from

a world where Chaos has won the battle against the forces of good. This Vampirella is damaged goods, and it's up to Lilith to try and set her and this world right.

The *Vampiverse* series has been collected in a graphic novel that is now in print, but for those who may want to jump right into this series or could use a refresher, what are the key lore angles or non-spoiler-y plot points from *Vampiverse* that may be feeding into this new story?

Tom: The whole Vampiverse concept is not as confusing as it appears. Basically, there are multiple realities out there in the Fabric of time and space, and each one of them has a Vampirella living in it, protecting that reality from all manner of threats. See? That's not so hard.

Jeannine: And this story features the aforementioned Lilith, who is a brand-new member of the Reality Corp., an organization that patrols the various realities, coming to the aid of any Vampirella who needs it, and ensuring that evil does not get the upper hand.

The story title on this new series is the ominous *Dark Reflections* — how do you two feel that subtitle reflects the narrative and character beats you're trying to share with fans here?

Jeannine: We love the title and think it really does reflect the story we're telling. There are many facets to Vampirella, and in this story we're meeting a much darker and troubled version of the character. This is a Vampirella who has lost everything —

Interior art by Daniel Maine

who has been beaten — and it's fascinating to us to see where we could take a character like this.

Tom: And another reflection of the character is in Vampirella's daughter, Lilith, who is a version of the character shaped by the darkness of her past. But instead of being broken, she's bright and shiny and optimistic about the battle against the forces of Chaos.

This is another collaboration with artist Daniel Maine, following *Vampiverse* and *The Vamp*. How is it reuniting with him once more to bring your scripts to the page?

Jeannine: Daniel is, hands down, the best! He is incredibly talented and knows Vampirella and Lilith just as well as we do.

Tom: Daniel Maine is the ultimate craftsman. We're always amazed at his designs and layouts in regard to our scripts. Seriously, he makes the stuff that comes out of our heads look way more impressive than it seemed! We love working with him and look forward to our next collaboration.

After the unexplained disappearance of both Aphrodite and Hephaestus, the remaining gods of Olympus convene an emergency council to tackle the problem. Rejecting Hercules's outlandish idea that Hades might have returned, they dismissively send the demigod on another divine errand — this time to the city of Thessaly, which is under attack from an army of centaurs.

As Hercules and Galatea take on the hooved besiegers, Meg and Phil search for the source of their hostility — only to find that their main suspect has become the latest victim of the ongoing rash of supernatural vanishings!

The mythological mystery deepens in *Hercules* #3, inscribed for the ages by Emmy Award-winning writer ELLIOTT KALAN (*The Daily Show*) and *Gargoyles* artist GEORGE KAMBADAIS, and enclosed in covers from KAMBADAIS, MATTEO LOLLI, FRANCESCO TOMASELLI, and ALESSANDRO RANALDI!

 Francesco Mattina (S-RI/Virgin)

Escaping from the wreckage of Space Colony Omicron, Jan, Jace, Blip, and their rescuer travel to the Ghost Planet — the mysterious headquarters of the even more mysterious Space Ghost. Leaving on an urgent mission, Space Ghost gives explicit orders to the three survivors: STAY. PUT.

Two children and a monkey left alone in a secret space hero's lair — what could possibly go wrong? (Hint: This issues also features an unexpected flight of the Phantom Cruiser!)

Award-winning author DAVID PEPOSE (*Punisher*) and acclaimed artist JONATHAN LAU (*Vampirella Strikes*) expand on their vision of Space Ghost and his universe with this revealing second issue — accompanied by cosmically captivating covers from FRANCESCO MATTINA, JAE LEE & JUNE CHUNG, BJORN BARENDS, and MICHAEL CHO!

Although Lion-O has the body of an adult, his accelerated growth means that his physical strength has outpaced his emotions, and he still has a lot of growing up to do before he can achieve the kind of maturity that every leader needs. Luckily, a seasoned warrior is ready to help him master his temper with some painful combat lessons!

In the aftermath of the Third-Earth-shaking events in the first story arc, Cheetara takes center stage for "Training Day," a special standalone issue written and drawn by guest author STEPHEN MOONEY (The Rocketeer: The Great Race, Half Past Danger), who also contributes a cover for the issue together with series stalwarts DAVID NAKAYAMA, LUCIO PARRILLO, DECLAN SHALVEY, JAE LEE & JUNE CHUNG, and IVAN TAO!

Vampirella has finally gotten everything she wants in life — love, community, purpose — only to realize that it's all a lie. Now she has to make the hardest decision she's ever faced: she can either restore reality and lose everything and everyone she loves, or embrace the lie and take the consequences — no matter how dire they may be. One way or the other, life will never again be the same for the Daughter of Drakulon!

Master comics craftsmen CHRISTOPHER PRIEST and ERGÜN GÜNDÜZ crank up the tension — and take another step closer to the historic issue #700 — in *Vampirella* #670, complemented by covers from LUCIO PARRILLO, ELIAS CHATZOUZDIS, CARLA COHEN, and cosplay by RACHEL HOLLON!

It's Elvira versus Lovecraft in the final showdown between the Mistress of the Dark and the Master of Cosmic Horror. Will Earth succumb to the Great Old Ones? Will a dead racist author rule over all of reality? What are the overdue fees like when you've had the *Necronomicon* out on loan for 4,000 years? These and other questions will finally be answered by stygian scribe DAVID AVALLONE (*Elvira in Monsterland*, *Bettie Page: Unbound*) and atavistic artist KEWBER BAAL (*Vampirella*, *Red Rising*) in this senses-shattering, all-action finale of *Elvira Meets H.P. Lovecraft* — encrusted in covers by BAAL, DAVE ACOSTA, ROBERT HACK, and the ever-photogenic Queen of Screams herself!

THIS IS FINE... AND DANDY AS CANDY!

Is Pixie questioning a life of candy carnage? Are things all GOOD with Sweetie's resident ninjetta? Is she acting BAD in the name of GOOD? What's really on her mind as she gazes into the halo of the Strawberry Ice Moon deep in thought? Moonlight on that and more will be shed...

Sweetie calls a company SWEET MEET to update Candy Wolf, Pixie, Hansel and Gretel, Peter Cottontail, Jack Rabbit, and Honey B. (with Gumme Bear and Tinsel) joining on video conference), about the GOOD news that business is growing faster than imagined, and plans for the "Fortress of Sweetness" are nearing completion. That's just Hatchy Milatchy! Soon, the entire world will know the name Sweetie Candy Vigilante!

Also on the agenda, and topping Sweetie's NAUGHTY LIST, is salty nemesis Bart Volgare. Still reeling from the "Sugartown Showdown," he confides to his girlfriend that Sweetie's "fairy tale wash-ups" (as he calls them) wiped out his entire A-Team, leaving him and his now disfigured henchman SUV as the sole survivors. SUV is literally speechless and scarred with a twisted grin on his face, unable to mutter a single word. He's seen some s**t!

Turns out Bart's main squeeze is a high-profile member of the news media, and he's got a scheme to expose Sweetie on live TV for being more than what she may appear to be on her sugary surface. Tales of bullet-eating ice-crystal skulls made from magical snow, exploding jellybeans and grenade easter eggs leave his sanity, or at least his sobriety, in question.

The NYPD learns two mysterious uninhabited islands, long since considered abandoned and dangerous, and within eyeshot of NYC's notorious jail on Rikers Island, have recently been purchased from the city by a "private buyer." Well, well — isn't that NICE!?

RIFTERS #1

(W) Brian Posehn, Joe Trohman (A/CA) Chris Johnson

Series Premiere. Please, Saran-Wrap your ass, because you're about to projectile-shit yourself right into the wild world of *Rifters*, where *Time Cop* collides with *Law & Order*, filtered through the Stupid McSmartsalot-Einstein lens of *Mr. Show*. Fenton and Geller are a couple of part-time Wisenheimers, full-time vice time-cops who suck at rule-following but excel at busting time-travel crimes. Unfortunately, their daily grind involves tedious police work—like chasing down douchebag influencers hellbent on live-streaming illegal transtemporal trips to 1920s Chicago to steal primo bootleg hooch. However, in a twist of fate, our heroes find themselves thrust into the heart of an inter-time serial homicide mystery, but not before things change, forcing our pair into the crosshairs of potentially lethal consequences. The stakes are high, time is of the essence, and Fenton and Geller are about to discover that playing with the time-stream isn't all flappers and jazz hands. Get ready for a high-octane, double-illegal adventure where the only sure thing is that *Rifters* is rewriting the rulebook on time-travel tales! (STL318728)

In the West, the gunslinger MacRaith follows his revenge to the bitter end and pays the ultimate price. The future lovers are mortally wounded a world apart and awake together in a purgatory ruled by a ruthless society of damned warriors.
